Objective

Passionate front-end developer with a strong foundation in HTML, CSS, and JavaScript, seeking an opportunity to leverage my skills in building responsive, user-friendly web applications that deliver exceptional user experiences. Eager to join a dynamic team and contribute to the development of engaging digital products.

Projects

- [Portfolio](#)
- [ChronoSync](#)(Advanced version of synchronizing date with Task)
- [Movie](#)(React)
- [BasicWeb E-commerce](#)
- [ShenAI Web](#)

Internship

As a **Frontend Development Intern** at Shen AI (August - Present 2024), I developed the [company website](#) using **React.js** and collaborated with the design team to enhance user experience. I managed API integration, deployment, and version control on **GitHub**, while optimizing application performance for a seamless interface.
